As a licensed institution, Unitek College is required to report performance outcomes on School Performance Fact Sheets (SPFS), which are updated annually. The SPFS is provided to every enrolling student to review and acknowledge.

The College has aligned its graduate employment tracking methods with the criteria required by its institutional accreditor. Since these methods conflict with the criteria specified by BPPE, the College has opted to report zero graduates employed in the field on the SPFS.

For the College's current graduate employment rates as reported annually to the Accrediting Commission for Career Schools and Colleges (ACCSC), please refer to the College website at:

Acknowledgment: I have read and understand the information provided in this Disclosure Form regarding the College's decision to report zero graduates employed in the field on the SPFS.
